

West River Conference of Social Welfare

Featured Presenters

Foster Cline, M.D.

Dr. Cline is a nationally recognized psychiatrist who helped develop the "Love and Logic" curriculum and is a co-founder of the Love and Logic Institute. Dr. Cline will draw on his 35 years of professional wisdom to provide an entertaining, comprehensive overview of personality development. This day-long session will focus on three topics.

KEYNOTE: June 8th at 9:30am to 10:30am. "Why is Wilma Wicked and Susan Sweet? When DNA Meets the Environment.."

MORNING SESSION: June 8th at 10:45am to 12:15pm. "Making Sense of Senseless Behavior-Why Some Folks Act So Crazy!"

AFTERNOON SESSION: June 8th at 1:30pm to 4:30pm "Doug will never do Drugs. The Absolute Essentials of Raising Teenagers Anyone Would Take off the Shelf."

Gary Wolf and Cari Olson- Rural Methamphetamine Education Project, Minot State University

June 9th from 8:30am to 10:00am and again at 10:15am to 11:45am. Gary Wolf has been with the Rural Crime and Justice Center since its inception in 1999. Cari Olson has been with the team since 2005. Both hold degrees in Criminal justice and are currently pursuing their masters. This training program will provide a historical overview of methamphetamine, with an emphasis on the impact it has on society (i.e., criminal activity, effects on family and children, treatment, environmental contamination and laboratory clean-up).

Tom Tupa-Executive Director-NDBSWE

June 9th from 8:30am to 10:00am and again at 10:15am to 11:45am. Tom Tupa's presentation, titled "Ethics in the Workplace" will encompass a wide variety of professions. It will include such topics as confidentiality and professional treatment of colleagues and clients.

Kristy Pfliger-Keller

June 9th from 8:30am to 10:00am and again at 10:15am to 11:45am. Kristy is a Certified Family Development Specialist and the Western North Dakota Regional Director for the Alzheimer's Association Minnesota-North Dakota Chapter. Kristy will provide an entertaining presentation on how to "Maintain Your Brain".

Total of 8.5 CEU's available

Mark your calendars!
